

Student Requirements

Initial Interview:

Prior to observation hours or clinical rotation, students are required to schedule an initial interview with the owner Jody Musick and/or the physical therapist that the student will be with during their time at Achieve Health and Wellness. This interview is our process to ensure the student will represent Achieve and our mission to provide exceptional care to our patients. The interview should be scheduled 2 weeks prior to expected observation or clinical rotation start date. The interview should take no longer than 30 minutes. Once the interview is completed, someone will contact you within 2-3 business days. Students should have all paperwork when they arrive, including any school paperwork that must be filled out as well as a HIPPA form and student information form. These forms can be found on our website: www.ahwpt.com.

Dress Code:

The student is expected to dress in appropriate attire to a physical therapy clinic at all times during their observation or clinical rotation. This attire would include: dress pants or khakis, polo or dress shirt, and dress shoes.

Scheduling:

Achieve Health and Wellness hours of operation are Monday through Friday 8 AM-5 PM. Lunch is from 12-1 PM every day and students are welcome to bring a lunch to eat at the clinic, but this hour is not considered in your observation hours. Students are also expected to schedule the days they will be observing and the times they will be at the clinic. It is the responsibility of the STUDENT to make sure they fulfill the number of observation hours required by his/her school. Please allow time for the physical therapist to fill out your required paperwork and/or recommendation letter (typically 1-2 days after completion of observation).

During Clinic Hours:

Students and observers are under the supervision of a physical therapist at all times. Student and observer duties and responsibilities are in accordance of the APTA guidelines for clinical education and Tennessee Physical Therapy Practice Act.
